

ROAD TO PARIS FICS 2023 GLOBAL SYMPOSIUM

17-18 JUNE 2023

**Road to Paris 2024 Olympics
FICS Global Symposium 2023
Hotel Hilton Paris La Défense
17-18 June 2023**

About

Fédération Internationale de Chiropratique du Sport (FICS) is proud to host the “ Road to Paris 2024 at the FICS Global Symposium” in June 2023 in beautiful Paris, France.

“As research chair of FICS, I am excited to bring together renowned experts from around the world to share knowledge, passion and the wonderful person-to-person connection we have all missed so much.” , Prof Henry Pollard, FICS Research Chair

To be held 17-18 June 2023, we are anticipating the Global Symposium will attract delegates from Europe and around the world. Paris is one of the most beautiful, visited and recognised cities in the world. The conference is situated close to downtown, the IFEC chiropractic school as well as many famous attractions including the Eiffel Tower.

This is a great opportunity for the FICS family to showcase recent developments in Sports Chiropractic / Sports Medicine to all practitioners in this lead up to the Paris Olympics, and FICS are thrilled to be hosting such a prestigious event. This major international event will take place at the Hilton Paris La Défense and we hope that all practitioners with an interest sports injury management, rehabilitation, prevention and performance enhancement can come to Paris to join us and perhaps have a little holiday in Europe afterwards.

Call for Research Papers

Fédération Internationale de Chiropratique du Sport (FICS) cordially invites you to submit your research abstracts for consideration at the 2023 FICS Global Symposium, to be held 17-18 2023 at the Hilton Paris La Défense, Paris, France.

SUBMISSION INFORMATION

New abstracts may be submitted to one of the following research Sports Chiropractic / Sports Medicine categories of: Clinical/Basic Science; Education; Public Health/Health Services/Epidemiology; Clinical Case Study/Series.

Email New Abstracts to admin@ficsport.org

Maximum word count is 250

- No references, figures, or tables – only text;
- English language;
- Full paper not published prior to 1 June 2023 (but may have been presented at another conference);
- Ethics approval for the work was obtained or was exempted (proof of this must be provided to the FICS upon request), or ethics review not needed (eg, systematic reviews).
- Papers accepted for platform or poster presentations will be offered publication in the Chiropractic Journal of Australia (CJA).
- All prize winning papers will be published in the Chiropractic Journal of Australia (CJA).

Previously published papers, will be considered separately in the following research Sports Chiropractic / Sports Medicine categories of: Clinical/Basic Science, Education, Public Health/Health Services/Epidemiology, Case Study/Series.

- Please email previously published paper please email admin@ficsport.org
- Paper published between 1 May 2021 to 15 June 2023;
- Maximum of 2 paper submissions per author/co-author.

Submission requirements. The presenter of either a new abstract or previously published paper must be an author and must be registered by the due date and provide FICS all required information and permissions.

- Any submitted abstract or paper that is suspected of involving scientific misconduct or ethics issues will be addressed using the Committee on Publication Ethics (COPE) guidelines and may be subject to immediate rejection;
- Any submitted presentation that does not meet the submission criteria will be removed from the program;
- For both new abstracts and previously published papers, only a single presentation may be made by any one (1) person. An author can be listed on any number of accepted abstracts as co-author, but any author may present only one abstract.

Judging and selection

- New abstracts will be selected through a rigorous peer review process and will be judged on methodology, significance, relevance, and overall importance of the research;
- Previously published papers will be selected by the Congress Planning Committee;
- There are a limited number of time slots for previously published papers, thus not all will be accepted for presentations;
- All FICS decisions regarding selections are final.
